WILL SELECT FALL DATES

DIRECTORS OF KENTUCKY ASSOCIATION TO CONSIDER THE MATTER THIS WEEK.

Division of Opinion as to Length of Meeting and Opening Date-Budget of Interesting Gossip from the Blue Grass Region.

Lexington, Ky., July 29.—To discuss dates and formulate plans for fall racing here, the directors of the Kentucky Association will hold a meeting during the coming week. There appears to be a diversity of opinion as to dates. Some of the directors are in favor of a ten-days meeting. Others want a lesser number down to seven. Some are of the opinion that the meeting should open on Saturday, September 16, while others hold that Monday. September 18 would prove a better date for inaugurating the season here, citing that Saturday, September 16 is be the closing day of the fail of the Colored Agricultural and Mechanical Association, which will be held on the grounds of the Kentucky Trotting Horse Breeders' Association, and evincing an indisposition to hamper in the slightest that venture with a counter attraction, notwithstanding the fact that the white folks do not patronize that fair with their presence. The meeting last fall opened on Tuesday, September 20, and was of nine-days duration. The track was fast on only three days, but the weather for the greater part was clear and no rain fell during the racing any day. The attendance was uniformly good and the association made some money. The directors who are standing for ten days the coming fall are using this as an argument. Messrs. M. J. Winn of the New Louisville Jockey Club, were here today for a conference with Secretary Garrett D. Wilson and Messrs. R. L. Baker and Johnson N. Camden of the Kentucky Association relative to dates for fall racing in Kentucky, but nothing definite resulted except that it was agreed that Lexington should open September 16 or 18 and run nine or ten days and that Louisville and Latonia would divide forty or forty-five days. Colonel Winn said that Louisville would want nineteen days following the Lexington meeting. Mr. Meyers thought Latonia should this year have the advantage of October dates and Colonel Winn replied that Louisville would give an average of \$3,500 per day to horsemen, which he says Louisville intends doing, and that

A side feature of the fall racing season here will be the auction of thoroughbred yearlings to be conducted during the week beginning September 18 by the Kentucky Sales Company. Over 100 head have already been consigned and W. J. Treacy, the pedigree expert, began this week the compiling of

Pierce, Grover Hughes, H. B. Reether and others who comprise the colony of trainers at the Kentucky Association track are taking things comparatively easy these days. They have up, all counted something like 150 horses, but only mild exercise is being given.

Few yearlings have come to the track to be broken as yet, but several of the trainers are making preparations to take up a number of youngsters next week. T. R. Pierce will bring in six, four the property of F. J. Kelley, of Chicago, and two belonging to J. C. Palmer, of Toronto, a new man in the sport, from John S. Barbee's Glen Helen Farm next Tuesday, Hall Price Headley began this week break-nig sixteen yearlings, principally sons and daughters of Ornament, at Beaumont Farm. At John E. Maden's Hamburg Place eleven colts eligible to the Engsish Oaks for the same year, have been taken up. They are:

Johnson N. Camden, who has been in the east for some time, returned to Lexington this week and will shortly come to some conclusion as to the number of yearlings J. O. Keene will take up from Hartland Stud for their first lessons.
W. T. Woodard arrived this week from Latonia with Howdy Howdy and has him at the Kentucky Association track. William Wallace, who has Duquesne in Canada, spent a portion of the week with his family here. He says the sport is flourishing across the border. Irving H. ASPIRES TO BREED HIS OWN RACERS.

L. P. Doerhoefer Planning to Establish Nursery for Thomas Monahan Decides to Ship Away His Good Thoroughbreds in Kentucky.

Louisville, Ky., July 29.—Trainer Shelby West has added to L. P. Doerhoefer's establishment at Churchill Downs the three-year-olds, Danger Mark and Freckle, that were turned out for a considerable period. Freckle has not started since last scason as a two-year-old and since last becomber has been at H. P. Headley's La Belle Farm near Lexington. She looks in splendid trim now, how-ever, and trainer West expects her to race well the coming fall. Danger Mark has been out of trainer West and Owner Doerhoefer think he will stand training and look for him to add strength to the stable the coming fall. As a two-year-old he won the Hanover Stakes and Winged Foot Handleap and several other races and during the entire season was racing against the best two-year-olds in training. Mr. Doerhoefer paid a fancy price for Danger Mark when he added him to his stable, but he is Rec'est can get the son of Sempronius to the post in good condition the coming fall. Mr. West now has two yearlings in his stable at the Downs, both of which are fillies by the Hanover stallton, The Elector. One, a bay in color, is out of Meddie, by Meddler, and the other, a brown, is out of Enamel, the dam of Judge Treen. The latter is owned by J. B. Lewman, whose horses are trained by trainer West forms to Mr. Doerhoefer, who owns the dam. Mr. Doerhoefer has decided to have a private breeding stud and the coming fall will pick up some fashionably bred young mares for his new establishment. He already has a start in this line with Meddle, Melisande and Mary Davis. Tillie's Nightmare, Freckle, Gold of Ophir and Ursula Emma will all be in the new Doerhoefer breeding ostablishment when they are done with racing. Mr. Doerhoefer aspires for the type of mares he will use for stud matrons. Melisande has not been sent from the track to the farm as yet, as her injured left front leg has been in such a swolen condition as to keep her closely confined to her stall. As soon as she is able to walk fairly well on her hijured legs she will be urrated out. No effort wil

CATERING TO THE STEEPLECHASERS.

The rewards for steeplechasers are generous all around in Canada this season, and owners could have opportunity to run through the field every day of the season if they were willing to. For the young horses there is special encouragement in the races provided by the Ontario and Montreal Jockey Clubs at their autumn meetings, of which the conditions are:

are:

For three-year-olds—Weight 135 pounds; winners once to carry five pounds extra; twice, seven pounds extra; sex allowance; about one and one-half miles. For three-year-olds and maiden four and five-year-olds—Weight, three-year-olds to carry 133 pounds; four-year-olds, 150 pounds; five-year-olds, 158 pounds; winners once to carry five pounds extra; twice, seven pounds extra; sex allowance; about two miles.

will shortly come to some conclusion as to the number of yearlings J. O. Keene will take up from Hartland Stud for their first lessons.

W. T. Woodard arrived this week from Latonia with Howdy Howdy and has him at the Kentucky Association track. William Wallace, who has Duquesne in Canada, spent a portion of the week with his family here. He says the sport is flourishing across the border. Irving H. Wheatcroft, master of the St. James Stud, is in Oklahoma looking after his banks.

Shelby West, trainer of L. P. Doerhoefer's string, was here this week and shipped Freckle to Louisville. This three-year-old daughter of Stalwart and Frankie has been running out at Beaumont Farm.

Trainer Pete Coyne of the George J. Long string at Louisville, was in Lexington this week on a sad mission, his brother having died suddenly of heart trouble.

TEXTILE DESTINED FOR ENGLAND.

Colt to Find a Purchaser.

New York, July 29.—P. J. Dwyer, president of the Brooklyn Jockey Club, and Thomas Monahan, owner of Textile, Paton and Rockfield, are daily visitors to the Gravesend track. Owing to the turn of affairs racing has taken it is Mr. Monahan's intention to ship Textile to England, with a view to racing him and finding a buyer for him. He is too good a colt to remain idle. Today he is one of the best-looking three-year-olds in training. Textile is a rich chestnut by Inflexible—Gold Lace. He has improved a great deal and no one knows really how good a horse he is, as all he has been asked to do is to gallop and every now and then canter along miles in 1:48 or 1:49. In these work-outs he has always been fighting for his head. To get a buyer here for him is out of the question.

Jack Goldsborough and George Kraus have shipped their horses from Gravesend to Fort Eric. The former has a fair horse in Billy Vandeveer, which he bought from William Lakeland. He worked well several times before Mr. Goldsborough made up his mind to ship him.

One of the men who left this country with the Burlew outfit for France has returned home and says that all the Americans are doing well. He also said that Henry Shields, who rode here a few years back, has one of the best handicap horses in France. Eugene Leigh offered \$50,000 for him, acting for a rich baron. Brandosies is the horse's name. Shields rode in this country for Galen Brown and Frank Taylor.

Horsemen about the Sheepshead and Gravesend tracks have heard about a meeting of five days which will be held at Flemington, N. J., in connection with the Somerset County fair.

Charles Kohler has shipped from Gravesend track to his farm in Madison, N. J., the old campaigner, Master Robert, and a two-year-old that went amis lately. The rest of the string—Chickasaw, Herodia and Ballymena—will go to Canada within a week. All are doing well and are ready to race.

The second meeting of the Victoria Country Club, which opened at Minoru Park, Vancouver, B. C., June 30 and came to a close July 7, embraced the seven days legally allowed for meetings in Canada, during which forty-four races were run and \$11,850 was distributed in purses, representing a daily average of \$1,692. Of sixty-six owners whose horses finished "in the money." the following twenty were winners of \$200 and over:

FLINT ROCK IS WINNER

SON OF ROCK SAND AND FIZGIG TAKES VALU-ABLE DOMINION HANDICAP.

Runs Mile and a Quarter Within Fraction of Track Record Time Made Last Year by Jack Atkin in Winning Same Event-Big Crowd Out.

Buffalo, N. Y., July 29.—August Belmont's Rock Sand colt, Flint Rock, one of the outsiders in the betting, with jockey Dugan in the saddle, won the Dominion Handicap, one of the richest stakes run on the Canadian circuit and the feature race of the opening day's program at Fort Eric this afternoon. opening day's program at Fort Erie this afternoou. He simply smothered his opposition with speed and won in a romp by three lengths. Flint Rock outbroke his company and, after racing the speedy Plate Glass into subjection in rounding the first turn, assumed an easy lead and the further they went the bigger the gap he opened. The pace was fast throughout, the first mile being run in 1:372 and the mile and a quarter in 2:04½. Many of the clockers caught the distance in 2:035 and some even faster.

elockers caught the distance in 2:055 and some even faster.

Twelve of the sixteen carded went to the post, The Nigger, Carlton G., Trap Rock and Sir John Johnson being withdrawn. Olambala was made favorite and was heavily supported by his stable connections. He was a forward contender for about six furlongs, when he became involved in a jam and dropped out of the running. Ocean Bound was second, beaten three lengths by the winner, and Zeus was third. The latter just managed to last long enough to beat the fast-closing Governor Gray, which came with a belated rush after trailing along with the rear division in the early stages.

There were many new faces among the big throng, Quite a few came up from New York. Among the arrivals were Mr. and Mrs. R. T. Wilson, A. S. C. Hildreth furnished the winners of the first and third races in Puggins and Cohort, both of which made runaway affairs of their races. T. Rice rode both horses, the regular stable rider, C. H. Shilling, Mystic Light, which he

being under suspension.

Mystic Light, which has developed into a champion among the steeplechasers, beat a band of fair jumpers in today's cross-country race. Ridden by Dayton he trailed until the last time around, where he moved up strongly and won with plenty to spare. It marked the seventh straight race that Mystic Light has won. He has an unbeaten record in Canada this season and has the distinction of being the smallest steeplechaser racing.

The best finish of the afternoon came with the running of the sixth race, in which Corinth beat Barney Igoe a short head.

A new league has been formed in New York state known as the Farmers' and Merchants' Mutual Assistance League. The officers are: president, Gerome B. Rice, Cambridge Valley Fair Association; vice-president, E. Rollins Morse, Union Club, New York City; treasurer, G. C. Raynard, 141 Broadway, New York City; assistant treasurer, M. S. Wilson, and secretary, Prof. M. J. Carr. Saratoga Springs, N. Y. The object of the league is to combat and counterbalance acts done in the name of religion and reform that really are a menace to prosperity and personal liberty. Many horsemen and followers of racing joined the léague here this afternoon.

Eddie Taplin, under contract to the Mackenzie stable, arrived from Kentucky this morning. He will finish the season in Canada as a free lance.

George Walker will ship Jack Parker and Descomnets back to Windsor to rest until the next meeting at that point.

W. R. Norvell, who will serve as racing secretary at Dufferin Park, will leave for Toronto tomorrow. R. F. Carman has shipped five horses to Dufferin Park in charge of Joe Cooper.

Fred Taral, who returned from Hungary a short time ago, was a visitor at Fort Eric this afternoon. His mission here is to secure a couple of promising boys to ride for him abroad. Taral has sixty horses in the stable that he is handling for several noblemen and says that he will return to Hungary in a couple of weeks.

Amos Turney, who was operated on for appendicitis about a month ago, is up and about again. He will be at the track on Monday, having fully recovered from the operation.

Blackford bore over against the fence during the running of the fifth race and crushed jockey Byrne's foot, which forced the latter to cancel his engagements in the sixth and seventh races.

The stewards suspended jockey T. Rice for the rest of the meeting for rough riding in the first race. Mrs. L. A. Livingston will shi

RECORD OF THE GOOD SPRINTER DREAMER.

Word comes from the east that H. B. Duryea has ordered the permanent retirement from racing of Dreamer, now nine years old. This enduring son of Dreamer, now nine years old. This enduring son of Hamburg, although generally pitted against the pick of the sprinting division on the metropolitan courses, succeeded in figuring as a winner each season since he first raced as a two-year-old in 1994, until last year, when he started fifteen times without being better than second, an indication that increasing ago was exacting its accustomed toll. He leaves this racing record to show for an industrious career:

JOHN E. MADDEN'S STUD RULES.

Lexington, Ky., July 29.—At Hamburg Place, that magnificent country estate which John E. Madden has established near this city as a nursery for blooded stock, principally thoroughbred running horses and standard-bred trotters and pacers, and as a home for himself and his two interesting young sons, Edward and Joseph, there are at appropriate points on the premises neatly printed and tastefully arranged placards bearing a set of thirteen suggestions—not rules—"for the guidance of employes." They are so pertiuent and sensible that they might well be followed at other similar places. They are:
"First—Guests are to be accorded every courtesy by the employes, who will thus help in extending its hospitality.
"Second—A natural love for the horse and a thorough knowledge of the blood lines of both the trotter and thoroughbred are considered valuable qualifications for those employed at Hamburg Place.
"Third—Only an untrained groom will lead a horse by the halter without a shank, as such a practice is both unsafe and unhorsemanlike.

"Fourth—Neither profanity nor noisy and bolsterous conduct are permitted on the premises.

"Fifth—Employes who smoke must confine their smoking to the cabin and blacksmith shop. Smoking anywhere else in or about the barns is absolutely prohibited.

"Seventh—Lanterns must never under any circumstances be used in the hay lofts.

"Eighth—It is required that all saddles, bridles, harness, tools and other appliances must be carefully looked after and kept in proper places, and the premises generally must be kept neat and clean.

"Ninth—The work horses on the farm must not be driven above a walk, and at no time to be overloaded.

"Tenth—Horses should not be driven to a wagon, carriage or cart without a check rein, as it is dangerous. A horse, especially in fly season, sometimes rubs his head against a hitching post, a tree or his leg, and the bridle may slip off. The result is a runaway, a very dangerous occurrence. A loose check rein will not punish a horse but it will guard against accidents. E

ENDYMION II. REDUCES BUTTE RECORD.

Butte, Mont., July 29.—Before one of the largest crowds of the season Endymion II., formerly a cross-country runner in England, carried the colors of E. G. Moyne to victory in the feature race of an interesting card. It was a handicap at one mile and seventy yards and Endymion II. reduced the track record by four-fifths of a second to 1:43. Meadow was installed favorite and ran a good game race under a heavy impost, only giving up the struggle in the final sixteenth, after making up considerable ground and looking a sure winner in the stretch racing.

Speculation was heavy in the betting ring, thir-

ground and looking a sure winner in the stretch racing.

Speculation was heavy in the betting ring, thirteen layers having all they could do to handle the wagers of the eager speculators, who had but poor success on their transactions, only one favorite scoring. Smart backing for Adena, Fred Mulholland and Margaret Randolph prevented the ring from having its banner day of the meeting.

If. G. Bedwell scored a double with Gilbert Rose and Margaret Randolph.

H. I. Wilson, president of the Butte Jockey Club, paid his first visit to the course today, his absence heretofore being due to an affliction of the eyes from which he is now recovering.

NOTES OF THE TURE.

Frank Wootton, the leading English jockey, will ride in India during the coming winter. The Prix Fernandez, run at Le Tremblay in France yesterday, was won by W. K. Vanderbilt's Messidor III.

J. Krause was recently fined \$50 by the judge at Vancouver, B. C., for practices inimical to the interests of the turf.

w. T. Anderson, owner of Helen Barbee and other well-known thoroughbreds, was in Chicago yesterday en route to Kentucky, where he has a considerable number of yearlings to take up. His string of thirteen horses in training is quartered at Denver and later on will be divided for racing at Pimlico and Spokane.

CORRECTION OF TIME.

The final time in race 97412, at Butte, July 27, was 1:14\(^3\), instead of 1:13\(^3\) as previously printed.
